THE FOUNDING CONSTITUTION & AUDITED REPORTS

Official Governance Charter, Inviolable Amanah Code, and 5-Year Financial Disclosures (2022-2026)

Headquarters: Kampala, Uganda · Operational Field Offices Across East Africa

Official Banking: United Bank for Africa (UBA) Uganda · Account 0764007338 · SWIFT UNAFUGKA

SOLEMN PREAMBLE

We, the founders, trustees, field directors, and volunteers of Sadaqah Africa Charity Organization, affirming that every step in the right direction matters, adopt this Constitution to guide our collective duty of relieving distress, restoring human honor, providing sustainable clean water, healing sickle cell patients, and building enduring community infrastructure under the sacred principle of Amanah.

GOVERNANCE & FIDUCIARY PRINCIPLES AT A GLANCE

1. Inviolable Amanah (100% Policy)

Every donation received for clean water, medical surgery, food, orphan care, schools, or hospitals is legally and religiously ring-fenced solely for that specified purpose.

2. Dual Signatory Requirement

No withdrawal or wire transfer can occur from the official UBA Bank account without simultaneous authorization by the Executive Director and the Board Treasurer.

3. Mandatory Tuesday Field Audits

The Field Committee inspects every community request on-site before financial commitments are released. Zero funds are disbursed without GPS-verified ground reports.

4. Maximum 5% Operational Cap

Statutory ceiling restricting administrative, banking, and logistical costs to no more than 5%. Over 95% of every dollar reaches direct frontline beneficiaries.

SECTION I: CONSTITUTIONAL ARTICLES (ARTICLES 1 TO 5)

ARTICLE 1: NAME, LEGAL CHARACTER AND DOMICILE

The organization is legally established and designated as the Sadaqah Africa Charity Organization (hereinafter the "Organization").

It is an independent, non-governmental, non-profit, and non-political humanitarian trust founded on the timeless Islamic principles of Sadaqah (voluntary charitable compassion) and Amanah (sacred inviolable trust).

The Organization serves all vulnerable individuals without discrimination based on ethnicity, creed, nationality, or gender, operating under NGO Registration Act 2016 in Kampala, Uganda.

ARTICLE 2: VISION, MISSION AND GOVERNING ETHOS

Vision: A world of dignity, equitable relief, and self-reliance across Africa where no family lacks clean water, food, pediatric medical care, or foundational education.

Mission: To mobilize grassroots solidarity worldwide and channel rapid, direct humanitarian relief with zero corruption and verifiable ground documentation.

ARTICLE 3: THE NINE CORE HUMANITARIAN PILLARS

The Organization is chartered to execute interventions across nine defined sectors:

- Clean Water Wells: Deep solar and hand-pump boreholes supplying drought-impacted rural villages.
- Sickle Cell Pediatric Care: Emergency surgeries, medication regimes, and blood transfusions.
- Emergency Food Relief: Nutritious staple food parcels for widows, displaced families, and orphans.
- Orphan Sponsorship: Comprehensive educational tuition, healthcare, and psycho-social protection.
- Girls Dignity & Menstrual Health: Washable hygiene kits preventing school dropouts.
- Madrasa & Quranic Education: Supplying holy Qurans, curriculum materials, and desks.
- Mosque & Community Center Construction: Building enduring spiritual and civic sanctuaries.
- Sacred Qurbani / Udhiyah: Distribution of fresh halal meat to impoverished rural families.
- Emergency Shelter & Humanitarian Aid: Disaster response and warm blankets for vulnerable elders.

ARTICLE 4: THE INVIOLABLE PRINCIPLE OF AMANAH

Every contribution entrusted to the Organization is deemed a sacred religious and fiduciary covenant between the donor, the Almighty, and the ultimate beneficiary.

Donations specifically marked for a particular project (e.g., Water Well, Sickle Cell Surgery, School Construction) are ring-fenced and may never be reallocated without express written authorization.

ARTICLE 5: THE $10 CAMPAIGN AND $50,000 MILESTONE ROADMAP

To democratize giving, the baseline public entry share is established at $10 / €10 or the equivalent in African currencies.

The active public fund operates toward a $50,000 milestone roadmap comprising 10 structured tiers of $5,000 each, funding emergency food batches, life-saving sickle cell surgeries, solar pumps, and school blocks.

SECTION II: CAPITAL PROJECTS & GOVERNANCE (ARTICLES 6 TO 9)

ARTICLE 6: MAJOR INFRASTRUCTURE: SCHOOL & HOSPITAL CONSTRUCTION

In response to multi-generational community poverty, the Organization establishes capital endowment categories for large-scale institutional construction:

- Community Primary School Construction: Budget range $20,000 to $70,000 for 3 to 8 classroom blocks, teacher quarters, solar electrification, water supply, and desks.
- Community Hospital & Clinic Construction: Budget range $43,000 to $150,000 for pediatric triage, maternity ward, sickle cell laboratory, surgery theater, and cold-chain vaccine storage.
- Escrow Disbursement: Capital funds are disbursed in verified phases (Foundation, Walling & Roofing, Medical/Academic Fitout, and Commissioning) following engineer certification.

ARTICLE 7: THE FIELD VERIFICATION COMMITTEE & TUESDAY AUDITS

All public aid requests submitted by families, widows, or village elders must pass through the Field Verification Committee.

The Committee convenes without exception every Tuesday to review on-site evidence, confirm medical documentation with registered physicians, and verify that the request does not duplicate local state programs.

Approved aid is published in weekly verification logs with GPS coordinates and contactable community leader signatures.

ARTICLE 8: BOARD OF TRUSTEES, EXECUTIVE LEADERSHIP & DUAL SIGNATORIES

The Board of Trustees provides high-level fiduciary and ethical oversight, meeting quarterly to audit receipts and operational logs.

Executive leadership is headed by the Executive Director/CEO who coordinates frontline staff and engineering contractors.

Dual Signatory Mandate: The official bank account with United Bank for Africa (Uganda) Limited requires mandatory dual authorization (Executive Director and Board Treasurer) for all disbursements exceeding $200.

ARTICLE 9: FINANCIAL ADMINISTRATION & STRICT 5% OVERHEAD CAP

The Organization enforces an institutional policy capping administrative, logistical, and banking overheads at no more than 5.0% of total revenue.

At least 95.0% of every dollar contributed must be deployed directly into physical procurement, materials, medicines, and ground execution.

SECTION III: INTEGRITY, AUDITS & DISSOLUTION (ARTICLES 10 TO 12)

ARTICLE 10: ANTI-CORRUPTION, CHILD SAFEGUARDING & ZERO-LEAKAGE POLICY

The Organization maintains strict zero-tolerance toward any form of fraud, bribery, kickbacks, nepotism, or abuse of power.

Child Protection: All staff and volunteers working near children must possess verified background clearances. Beneficiary imagery is strictly respectful, non-exploitative, and protected by parental consent.

Whistleblower Protection: Any volunteer, donor, or beneficiary reporting fiscal irregularity is guaranteed anonymity and protection under Ugandan whistleblower protections.

ARTICLE 11: MANDATORY STATUTORY AUDITS AND OPEN PUBLIC REPORTING

The books of accounts of the Organization shall be audited annually by a licensed and independent Certified Public Accountant (CPA) registered with the Institute of Certified Public Accountants of Uganda (ICPAU).

Audited financial statements and donor impact reports shall be published annually for public inspection on our digital portal and made available in physical copy at the registered head office.

ARTICLE 12: AMENDMENTS AND INVIOLABLE ASSET DISSOLUTION PERPETUITY

Constitutional amendments require a formal written motion supported by not less than a two-thirds (66.7%) majority of the Board of Trustees.

Dissolution Clause: In the event of dissolution of the Organization, after settlement of all verified debts and liabilities, all remaining assets, boreholes, schools, clinics, and bank balances shall irrevocably transfer to a registered Islamic charitable non-profit possessing identical humanitarian objectives.

FORMAL RATIFICATION & LEGAL ADOPTION

This Constitution was unanimously ratified and sealed by the Board of Trustees and founding members at Kampala, Uganda.
